If you are unsure of any requirements of this Annual Return Form, contact the EPA Licensing Team on (08) 8204 2058.

Preamble

This form is a report on the continuation of activities that you propose to undertake and that under the Environment Protection Act 1993 require approval prior to commencement of works. The activity(ies) for which you are seeking approval must be identified by ticking the appropriate items in Part B (Prescribed Activities) of this form.

This form must be completed in full and signed (on the back page) by an authorised person. If the submitted form is incomplete, it cannot be processed.

The activities set out in Part B (Prescribed Activities) must be identified. List the activity(ies) and tick the appropriate boxes on Part B.

This form should not be used to include a new or additional prescribed activity or additional site or location. A New Works Approval Application form must be submitted for all new activities and locations.

Note: A maximum penalty of up to \$60 000 applies for providing false or misleading information.

Part A: Applicant Details Section 1

1.1 Your current EPA Works Approval No.

A separate Annual Return form is to be completed for each site

1.2 Have any of your Works Approval details changed? (refer to your current Works Approval front page to check Approval Holder's Name, Postal Address, Location Address and Prescribed Activities)

Yes No

If No – go to 1.3

If Yes – indicate changed details here as applicable:

New Approval Holder's name that is to appear on the Authorisation.

Note: If the new Approval Holder is a company check if the change is to the name only, i.e. no change of Australian Company Number (ACN). **If a new ACN has been generated you will need to submit a New Works Approval Application. If the holder is a person and a new or additional name is to be included, you will need to submit a New Works Approval Application.**

New postal address for correspondence

If there are new or additional details to be completed for Site and Activities, it is likely that you will need to submit a New Works Approval Application. If you have any doubt regarding the information sought above, contact the EPA Licensing Team on (08) 8204 2058.
