*You are NOT required to submit this form if approval has been obtained under the Development Act.*

**Preamble**

The EPA is South Australia’s environmental regulator.

Our environmental goals are:

- ✓ Good quality land
- ✓ Good quality water
- ✓ Good quality air
- ✓ Safe use of radiation
- ✓ Protection from unacceptable noise
- ✓ Sustainable use of resources

Responsible management of prescribed activities through licensing is integral to achieving our environmental goals.

This application form covers assessment details of activities that you propose to undertake and that under the Environment Protection Act 1993 require approval prior to commencement of works. The activity(ies) for which you are seeking approval must be identified by ticking the appropriate items in Part B (Prescribed Activities) of this form.

**This form must be completed in full and signed (on the back page) by an authorised person.**

**AN APPLICATION FEE MUST BE SUBMITTED WITH THIS FORM.**

This fee comprises two parts.

1. A lodgement fee of \$245.00; and
2. An assessment fee that is 20% of the level chosen in section 4.3 of this form.

This fee value is current to 30 June 2025.

**Note: A maximum penalty of up to \$60 000 applies for providing false or misleading information.**

If you are unsure of the requirements of this licence application, contact the EPA Licensing Team on (08) 8204 2058.

Further information is available on the EPA website: [epa.sa.gov.au/business\\_and\\_industry/licences](http://epa.sa.gov.au/business_and_industry/licences)
