Preamble

This Exemption Annual Return form covers all the Prescribed Activities for which you currently hold an exemption issued by the Environment Protection Authority.

This form must be completed in full and signed (on the back page) by an authorised person. If the submitted form is incomplete, it cannot be processed.

The activities set out in Parts B (Prescribed or Specified Activities) must be identified. List the activity(ies) and tick the appropriate boxes on Part B.

This form should not be used to include a new or additional prescribed activity or additional site or location. A New Exemption Application form must be submitted for all new activities and locations.

Note: A maximum penalty of up to \$60 000 applies for providing false or misleading information.

If you are unsure of any requirements of this Annual Return Form, contact the Licensing & Regulatory Services Branch (08) 8204 2058.

Part A: Applicant Details Section 1

1.1 Your current EPA Exemption No.

A separate Annual Return form is to be completed for each site

1.2 Have any of your exemption details changed?

(refer to your current exemption front page to check Exemption Holder's Name, Postal Address, Location Address and Prescribed Activities)

Yes No

If No – go to 1.3

If Yes – indicate changed details here as applicable:

New Holder's name that is to appear on the exemption

Note: If the holder is a company check if the change is to the name only, ie no change of Australian Company Number (ACN). **If a new ACN has been generated you will need to submit a New Exemption Application form. If the holder is a person and a new or additional name is to be included, you will need to submit a New Exemption Application form.**

New postal address for correspondence

New site location/address (include land title references)

New Prescribed Activity(ies)
(as described in Part B of this form)

If there are new or additional details to be completed for Site and Activities, it is likely that you will need to submit a New Exemption Application form. If you have any doubt regarding the information sought above, contact the Licensing & Regulatory Services Branch on (08) 8204 2058

Part B: Prescribed or Specified Activities

Tick all of the activities on the list of Prescribed and Specified Activities that describe the nature of your operations. This information will be used to determine your Annual Exemption Fee. A tax invoice for this amount will then be sent to you.

Prescribed Activities
