**Preamble**  
 The EPA is South Australia's leading environmental regulator, responsible for the protection of air and water quality and the control of pollution, waste, noise and radiation.

- Our environmental goals are:
- ✓ Clean and healthy air
  - ✓ Land and water that is fit for purpose
  - ✓ Communities protected from unacceptable noise
  - ✓ Sustainable use of resources
  - ✓ Communities protected from unacceptable radiation.

Responsible management of prescribed activities through environmental authorisations is integral to achieving our environmental goals.

This application is for continuation of the assessment of activities that you propose to undertake and that under the Environment Protection Act 1993 require approval prior to commencement of works. The activity(ies) for which you are seeking approval must be identified by ticking the appropriate items in Part B (Prescribed Activities) of this form.

**This form must be completed in full and signed (on the back page) by an authorised person.**  
**A FEE OF \$173 MUST BE SUBMITTED WITH THIS FORM TO ENABLE YOUR APPLICATION TO BE PROCESSED.**

This fee value is current to 30 June 2012.

**Note: A maximum penalty of up to \$60 000 applies for providing false or misleading information.**

If you are unsure of any requirements of this Renewal Form, contact the Licensing & Regulatory Services Branch on (08) 8204 2058.
