Email: epalicensing@sa.gov.au
Website: www.epa.sa.gov.au

If you are unsure of any requirements of this Renewal Form, contact the Licensing & Community Response Branch on (08) 8204 2058.

Preamble

The EPA is South Australia's environmental regulator.

Our environmental goals are:

- ✓ Good quality land
- ✓ Good quality water
- ✓ Good quality air
- ✓ Safe use of radiation
- ✓ Protection from unacceptable noise
- ✓ Sustainable use of resources

Responsible management of prescribed activities through licensing is integral to achieving our environmental goals.

This application is for continuation of the assessment of activities that you propose to undertake and that under the Environment Protection Act 1993 require approval prior to commencement of works. The activity(ies) for which you are seeking approval must be identified by ticking the appropriate items in Part B (Prescribed Activities) of this form.

Do not use this form to include a new or additional prescribed activity or an additional site or location. A New Works Approval Application form must be submitted for all new activities, sites and locations.

This form must be completed in full and signed (on the back page) by an authorised person.

A FEE OF \$205 MUST BE SUBMITTED WITH THIS FORM TO ENABLE YOUR APPLICATION TO BE PROCESSED.

This fee value is current to 30 June 2019.

Note: A maximum penalty of up to \$60 000 applies for providing false or misleading information.

PART A: Applicant Details SECTION 1

1.1 Your current EPA Works Approval No.

A separate application form is to be completed for each site

1.2 Have any of your works approval details changed?

(refer to the front page of your current approval to check Authorisation Name, Postal Address, Location Address and Prescribed Activities)

Yes No

If No – go to 1.3

If Yes – indicate changed details here as applicable:

New Holder name that is to appear on the Works Approval

Note: If the Approval Holder is a company check if the change is to the name only, i.e. no change of Australian Company Number (ACN).

If a new ACN has been generated you will need to submit a Transfer of Authorisation Application form. If a new person is to be the Approval Holder you will need to submit a Transfer of Authorisation Application form.

New postal address for correspondence

Postcode:

1.3 Who is authorised to act on behalf of the Works Approval Holder?

- a. Contact name: _____
Position: _____
Tel: _____
Email: _____
- b. Contact name: _____
Position: _____
Tel: _____
Email: _____
- c. Contact name: _____
Position: _____
Tel: _____
Email: _____
- d. Contact name: _____
Position: _____
Tel: _____
Email: _____
- e. Contact name: _____
Position: _____
Tel: _____
Email: _____

1.4 Contact person for enquiries relating to this form

Contact name: _____
Position: _____
Tel: _____
Email: _____

SECTION 2:

Additional Information

SECTION 3:

Infrastructure Details

3.1 Reviewed completion date for construction of infrastructure at the site (if applicable)

..... / / 20.....

Following assessment of the application, the EPA will issue a tax invoice for the appropriate fee, which may then convert to an annual fee.

3.2 Remaining capital cost of the proposed work:

\$

This figure is the cost of works and materials relating to the establishment of the proposed activity(ies). It does not include cost of land, consultancy fees or the cost of works or infrastructure **unrelated** to the prescribed activity(ies)

SECTION 4:

Payment

4.1 Application fee

A fee of \$205 must be submitted with this form to enable your Application to be processed. This fee value is current to 30 June 2019.

4.2 Payment by mail

Make cheques or money orders payable to the Environment Protection Authority and crossed 'Not Negotiable'. Do not include bank notes or coins.

Mail your payment to:
Environment Protection Authority
GPO Box 2607 ADELAIDE SA 5001

4.3 Payment by card

Visa Mastercard

Card number _____

CVV (last 3 digits) _____

Expiry date _____

Cardholder's name _____

Cardholder's signature _____

Amount of card payment \$ _____

Should your Application be granted, an invoice for payment of the annual fee will be sent to you. This fee will be based on the remaining capital cost as indicated at 3.2.

Part B: Prescribed Activities

On the list of Prescribed Activities (as listed in Schedule 1 of the Environment Protection Act 1993), tick all the activities that describe the nature of your operations.

Regulation reference	Activity
<input type="radio"/> 1.1	chemical storage and warehousing facilities
<input type="radio"/> 1.2.a.i	chemical works – inorganic
<input type="radio"/> 1.2.a.ii	chemical works – organic
<input type="radio"/> 1.2.b	chemical works – salt production
<input type="radio"/> 1.3	coke works
<input type="radio"/> 1.5.a	hydrocarbon storage
<input type="radio"/> 1.5.b	hydrocarbon production works
<input type="radio"/> 1.6	timber preservation works
<input type="radio"/> 2.1	abrasive blasting
<input type="radio"/> 2.2	hot mix asphalt preparation
<input type="radio"/> 2.3	cement works
<input type="radio"/> 2.4	ceramic works
<input type="radio"/> 2.5	concrete batching works
<input type="radio"/> 2.6	drum reconditioning or treatment works
<input type="radio"/> 2.7	ferrous and non-ferrous metal melting
<input type="radio"/> 2.8	metallurgical works
<input type="radio"/> 2.9	mineral works
<input type="radio"/> 2.10	pulp or paper works
<input type="radio"/> 2.12.a	surface coating works – metal finishing
<input type="radio"/> 2.12.b	surface coating works – hot dip galvanising
<input type="radio"/> 2.12.c	surface coating works – spray painting or powder coating
<input type="radio"/> 2.13	timber processing works
<input type="radio"/> 2.14	maritime construction works
<input type="radio"/> 2.15	vehicle production
<input type="radio"/> 3.1.a&b	waste recovery facility
<input type="radio"/> 3.2.a	composting works
<input type="radio"/> 3.2.b	scrap metal treatment works
<input type="radio"/> 3.2.c	tyre waste treatment works
<input type="radio"/> 3.2.d	waste lead acid battery treatment works
<input type="radio"/> 3.2.e	any other waste reprocessing facility
<input type="radio"/> 3.3.a	landfill depot - disposal to land
<input type="radio"/> 3.3.b	liquid waste depot

Works Approval Renewal

Regulation reference	Prescribed activity
<input type="radio"/> 3.3.c	incineration depot
<input type="radio"/> 3.4.a	wastewater treatment works within the Mount Lofty protection area
<input type="radio"/> 3.4.b	wastewater treatment works outside the Mount Lofty protection area
<input type="radio"/> 3.5.a	activities producing listed waste
<input type="radio"/> 3.5.b	reception or storage of listed waste
<input type="radio"/> 3.5.c	treatment of listed waste
<input type="radio"/> 3.6.a	waste transport business (Category A) per vehicle.
<input type="radio"/> 3.6.b	waste transport business (Category B) per vehicle.
<input type="radio"/> 4.1	Brukungu mine site
<input type="radio"/> 4.2.a	discharge during licence period of stormwater to underground aquifers by means other than a stormwater drainage system from land or premises situated in the area of the City of Mount Gambier
<input type="radio"/> 4.2.b	discharge during licence period of stormwater to underground aquifers from a stormwater drainage system situated in the area of the City of Mount Gambier
<input type="radio"/> 4.2.c	discharge of stormwater to underground aquifers in Metropolitan Adelaide
<input type="radio"/> 5.1	cattle feedlots
<input type="radio"/> 5.3	saleyards
<input type="radio"/> 5.4	piggeries
<input type="radio"/> 6.1.a & b	meat processing works
<input type="radio"/> 6.2	breweries
<input type="radio"/> 6.4	fish processing works
<input type="radio"/> 6.5	milk processing works
<input type="radio"/> 6.6.a	produce processing works – deep fat frying, roasting or drying
<input type="radio"/> 6.6.b	produce processing works – more than 10 000 000 litres of wastewater (not to sewer or a Community Wastewater Management System [CWMS])
<input type="radio"/> 6.7	rendering or fat extraction works
<input type="radio"/> 6.8	curing or drying works
<input type="radio"/> 6.9	tanneries or fellmongeries
<input type="radio"/> 6.10	wool scouring or wool carbonising works
<input type="radio"/> 6.11.a	wineries or distilleries not in the Mount Lofty Ranges Water Protection Area

Regulation reference	Prescribed activity
<input type="radio"/> 6.11.b	wineries or distilleries in the Mount Lofty Ranges Water Protection Area
<input type="radio"/> 7.1	bulk shipping facilities
<input type="radio"/> 7.2	railway operations
<input type="radio"/> 7.3.a	crushing, grinding or milling – chemicals or rubber
<input type="radio"/> 7.3.b	crushing, grinding or milling – agricultural crop products
<input type="radio"/> 7.3.c	crushing, grinding or milling – rock ores or minerals
<input type="radio"/> 7.4	dredging
<input type="radio"/> 7.5	coal handling and storage
<input type="radio"/> 7.6	earthworks drainage
<input type="radio"/> 7.7	extractive industries
<input type="radio"/> 8.1	aerodromes
<input type="radio"/> 8.2.a.i	fuel burning – coal or timber
<input type="radio"/> 8.2.a.ii	fuel burning – not coal or timber
<input type="radio"/> 8.2.b	fuel burning – stove enamel or baking or drying materials
<input type="radio"/> 8.3	helicopter landing facilities
<input type="radio"/> 8.4	marinas and boating facilities
<input type="radio"/> 8.5	motor racing or testing venues
<input type="radio"/> 8.6	shooting ranges
<input type="radio"/> 8.6.a.i	desalination plants discharging wastewater to a marine environment
<input type="radio"/> 8.6.a.ii	desalination plants discharging wastewater to a wastewater lagoon
<input type="radio"/> 8.6.a.iii	desalination plants discharging to inland waters or land (other than a wastewater lagoon)
<input type="radio"/> 8.7	discharges to marine or inland waters (heat, antibiotic or chemical water treatment)
<input type="radio"/> 8.8	cremation or incineration of human or animal remains

DECLARATION

If the applicant is:

1. A company, body corporate or proprietary company the following must sign this declaration:

- a director and/or the company secretary and/or a person appointed as a responsible officer.

2. A natural person(s):

- each person or a person legally authorised by the applicant must sign this declaration.

3. A statutory body:

- a person whom the Minister has authorised must sign this declaration.

4. An incorporated association:

- a person(s) who is authorised under the rules of that association.

For government departments that do not involve a statutory body, the Minister or a person whom the Minister has authorised must sign this declaration.

For joint applications, all parties must sign this declaration.

I/we hereby declare that the information provided in this application and accompanying documents, to the best of my knowledge, is true and correct.
