Results advised ____/____/____ by _____ Licence approval ____/____/____ by _____

By Pres/Voc Qualification By EPA Exam By Mutual Recognition HUB ____/____/____

Radioactive substances to be used or handled

Please give details of the main radionuclides that you intend to use or handle:

Radionuclide	Activity (MBq)	Sealed/Unsealed
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____

Applicant's basis for applying for a licence

The vocational qualifications listed on page 4 are qualifications accepted by the EPA as a prerequisite for obtaining the relevant licence, subject to other considerations.

Other applicants would mainly apply on the basis of 4 below. For further information in relation to licence requirements please refer:

https://www.epa.sa.gov.au/files/4771332_dxr_licence_prerequisites.pdf.

Basis on which the licence is being applied for (please indicate one or more).

- ¹ I am the holder of an equivalent authority granted by an Australian jurisdiction, and wish to apply for mutual recognition. I have attached a notice in accordance with section 19 of the Australian Government's *Mutual Recognition Act 1992*. Refer <https://www.legislation.gov.au/Details/C2017C00372>.
- ² I have previously held a South Australian licence within the last five years, to carry on the relevant operations and activities, but my licence has lapsed.
- ³ I have exceptional circumstances to warrant being treated as a special case and attach documentation supporting my case.
- ⁴ I do not have a relevant qualification (i.e. a vocational qualification listed on page 4) or meet the other criteria listed above. Note: applicants are generally required to successfully complete a relevant EPA examination. The EPA will provide you with information on the examination after submission of this application. If you have already successfully completed a relevant EPA examination, you may attach a copy of the notification issued by the EPA examination administrator.

Details of prior radiation protection convictions

Have you ever been convicted of an offence under any radiation protection legislation? Yes No

If yes, please give details _____

Have you ever had a licence (or an application for a licence) to operate radiation apparatus, or to use or handle a radioactive substance, or an accreditation as a compliance tester having been refused, suspended or cancelled by any radiation licensing authority? Yes No

If yes, please give details _____

Declaration

I declare that the information provided on this form and in support of this application is to the best of my knowledge complete and true in every particular.

Applicant's signature _____ Date _____
